NOTICE

Only a limited number of applications can and will be approved for issuance of a Vessel Parking Permit. In the event that a Vessel Parking Permit is issued to you by the Town, and in consideration of your receipt of a permit and other good and valuable consideration for which you acknowledge receipt and sufficiency, you agree to the following terms and conditions:

- 1. Permits will be issued on a first come, first served basis, to individuals that have submitted a fully completed application, evidence of permanent or part-time (3 months out of the year) residency (live within the Town's municipal limits) in the Town of Morehead City (copy of tax bill, utility bill, water bill, or deed), presentment of photo identification, evidence of vessel ownership or close family relationship to the owner (Father, Mother, Son, Daughter, Brother, or Sister), and a \$25.00, non-transferrable, non-refundable application fee. Only one permit will be issued per household.
- 2. Permits shall be valid only from the date of issuance until January 15 of the following year, and on or before that expiration date you will remove all vessels, equipment, storage, launching dollies, and all other items from the Town's property. Anything left on the site after January 15 will be deemed abandoned and will be removed, stored, and/or disposed of by the Town at owner's expense, and with no further notice.
- 3. You acknowledge that only your non-motorized, functional vessel, in reasonably good condition, may be parked or otherwise stored on the Town's property. Vessels may include kayaks, canoes, sailboards, paddleboards, sailing and rowing dinghies, monohull sailboats up to 14 feet in length (stored on racks provided by the Town) and monohull or multihull sailboats up to 18 feet in length (parked in the seven marked spaces on the ground). No trailers or motorized vehicles or vessels are allowed. You agree to use only the racks provided or the marked area assigned to you on your permit. No other areas of the Town's property may be used for the parking or storage of vessels.
- 4. A Town supplied sticker must be displayed on the hull of your vessel while on the Town's property.
- 5. You will remove your vessel from the Town's property upon the issuance of a hurricane warning for Morehead City and/or its vicinity by the National Hurricane Center, or 24 hours prior to a National Weather Service prediction of some other weather event that will produce 50 MPH wind gusts or greater. If your vessel is not removed within this allotted time, you agree that the Town's Public Works department may, but will not be required to, remove and store your vessel at your expense.
- 6. You agree to pay the Town for all expenses and time expended for removal of your vessel from the Town's property pursuant to the provisions of this agreement, and you will pay such expenses within 30 days of receiving an invoice from the Town. You agree that the Town shall have no liability for damage to your vessel or other property if the Town removes and/or stores the same.
- 7. The Town will provide no security and will not, for any reason, be responsible for damage to or theft of your vessel, nor for harm to persons or property caused by your vessel or its use. You agree to indemnify and hold the Town harmless of and from any and all loss, cost, damage and expense of every kind, and attorney's fees, costs and expenses, which the Town shall or may incur or become liable for, directly or indirectly, as a result of your use of the Town's property for your vessel's use or parking.
- 8. Applicant acknowledges that he or she has received, read, understood, and agreed to abide by the above terms and conditions and the Town's Rules and Regulations for use of the vessel parking area; as such Rules and Regulations may be amended by the Town from time to time.
