

Soccer Camp

Summer Soccer Camp at Rotary Park

Philosophy: The camp will offer an exciting soccer experience with an emphasis on fun, skill development, tactics and competition. Concentration will be placed on establishing basic skills such as shooting, trapping, dribbling and building upon these skills through staff demonstration and instruction. The camp will emphasize technique tactics in an intense training environment. The camp will be divided to age and skill level, so the content of the camp as well as the intensity will be structured to meet the varying needs of the different participants.

Camp Staff: Sean Brennan – Former Associate Head coach at the University of North Carolina Pembroke, now the Head Coach at the University of Mount Olive. The camp will also have high school coaches as well as college and high school players.
