

PRESS RELEASE

December 31, 2015

The Town of Morehead City experienced an overflow of untreated sewage from a broken line at the corner of South 9th and Shepard Street. The overflow was reported at approximately 6:30 PM on Wednesday December 30, 2015 and was contained within an hour. The volume of the overflow was estimated to be between 7,000 gallons and 10,000 gallons. The untreated sewage flowed into a storm drain which empties in the Bogue Sound.
