Definitions of Life Safety Violations

Overcrowding – (\$500) A condition that exists when either there are more people in a building, structure or portion thereof than have been authorized or posted by the fire code official, or when the fire code official determines that a threat exists to the safety of the occupants due to persons sitting and/ or standing in locations that may obstruct or impede the use of aisles, passages, corridors, stairways, exits or other components of the means of egress.

Unauthorized Burning – (\$100) The burning of materials wherein products of combustion are emitted directly into the ambient air without passing through a stack or chimney from an enclosed chamber. Open burning does not include road flares, smudge pots and similar devices associated with safety or occupational uses typically considered open flames or outdoor cooking in approved appliance.

Blocked/ Impeded Exits – (\$200) Any form of obstruction in the required width of a means of egress. ("Means of Egress" is the continuous and unobstructed path of vertical and horizontal egress travel from any point in a building or structure to a public way, consisting of three separate and distinct parts: the exit access, the exit, and the exit discharge.)

Spraying Operations Not Conforming With Code – (\$100) Spraying flammable or combustible finishes without a properly installed spray booth or approved spraying area.

Alarm System Requiring Testing/Maintenance – (\$100) Failure to have required testing and maintenance conducted of fire alarm system(s), and to have required documentation of test(s).

Suppression System Requiring Testing/Maintenance – (\$100) Failure to have required testing and maintenance conducted of Alternative Automatic Fire-Extinguishing Systems and to have required documentation of test(s). Includes Commercial Hood and Duct systems, Wet –chemical, Dry-chemical, Foam, Carbon Dioxide systems, Halon systems and Clean Agent systems.

Sprinkler System Requiring Testing/Maintenance – (\$100) Failure to have required testing and maintenance conducted on fire sprinkler system(s), and to have required documentation of test(s).

Unauthorized Storage – (\$100) The storage of flammable, combustible or hazardous liquids or materials improperly stored and/or without a permit. (This violation applies to facilities that are required to report under the Hazardous Chemicals Right-to-Know Act.)

False Alarm Schedule

Civil Citations issued following Three (False) Fire Alarm Trips (Per Calendar Year)..... \$ (*See Explanation Below*)

Each establishment within the Town of Morehead City will be allowed a total of ***THREE (3)*** false alarms per calendar year. Additional (false) fire alarms re-occurring after the third alarm will be subject to the following “Civil Citations” (**See note below defining “false alarms”**):

- 4th occurring false alarm **\$100**
- 5th occurring false alarm **\$150**
- 6th occurring false alarm **\$200**

For each subsequent false alarm (within the calendar year), the fine will increase in increments of **\$50** (example: 7th false alarm = \$250).

Fines for false alarm trips are issued for failure to maintain or make required repairs to fire alarm systems. Fines will not be issued for alarm trips due to natural causes, mischief or accidental activation of alarm systems that are maintained appropriately and functional.

System development fees shall be based on the calculated gallon per day (GPD) flow rate of the anticipated use of the proposed structure, or increased use anticipated by an addition to the floor space of an existing structure. Flow rates shall be determined in accordance with the flow rates established in 15A NCAC 2T.0114 (a), (b) and (c), as amended from time to time by the Division of Water Resources. Once flow for a new establishment has been estimated in accordance with 15A NCAC 02T.0114, the flow shall be converted to Equivalent Residential Units (ERUs) by dividing the total flow by 360 gpd, which is the design flow associated with an ERU.

See Table 1 in Section 32-12 of the Town of Morehead City Code of Ordinances for details.
